

Spedo[®] Continuous Forms Processing & Mailing Equipment

SPEDO 2400 FORMS CUTTER

In addition to the base model 2300 the NEW SPEDO 2400 FORMS CUTTER offers more!

An intuitive touch screen operator panel includes on-screen parts catalogue and gives total control over all aspects of the machines functionality.

Exact speed settings, to a tolerance of one foot per minute for printer interface.

Over lifetime total counter and language interpretation.

A NEW infeed system improves cut accuracy and web control.

The most noticeable addition:- THE OPEN SIDE!

Easier waste removal when running on-line or in-system.

Equally important:- What hasn't changed?

Build Quality, Reliability and Long-Long Service Life.
